WEBSITES

Defenders of Wildlife

www.defenders.org

A must for those interested in wolf recovery and wildlife issues. Links to oither sites including Defenders' own Kids' Planet.

Environmental Education Link on the Internet

eelink.net/

Fact sheets, some with photographs, of endangered and threatened animals. A clickable map of the United States allows “surfers” to locate endangered animals by region.

The International Wolf Center

www.wolf.org

A great resource for students and teachers, this site includes access to telemetry data that allows students to track radio-collared wolves. Its site also includes a search engine of over 1,600 scientific articles about wolves.

Kids Corner, U.S. Fish and Wildlife Service

www.fws.gov/endangered/kids/index.html

Extensive list of materials, information, games and activities to help teachers and students learn more about endangered and threatened species.

Kids' Planet, Defenders of Wildlife

www.kidsplanet.org

Fact sheets, games and much more--including a Teacher's Table .

The Maine Wolf Coalition

home.acadia.net/mainewolf/

Informative site of an organization dedicated to wolf recovery in Maine.

National Geographic Geoguide to Wolves

www.nationalgeographic.com/resources/ngo/education/geoguide/wolves/index.html

Classroom ideas and family activities for different grades.

National Wildlife Federation

www.nwf.org

Information on wolves and other endangered species, related happenings in government, tips on what people can do to help.

National Zoo Home Page

nationalzoo.si.edu

Animals, plants, people, movies and more.

Nova Online: Wild Wolves

www.pbs.org/wgbh/nova/wolves/
